### February 2012 at the Manley Art Center & Gallery

#### ARTIST OF THE MONTH

The Artist of the Month for February is Tom Moody and he will demonstrate at the Second Saturday Art Walk, February 11th.

Tom Moody says his love for art began in junior high school, when he became interested in hotrods and motorcycles and would use his imagination to draw the kind he would like to own one day. "I was the one the teacher would rudely interrupt when I was caught sketching beneath my history and English books during class." His schools did not provide any formal art classes, but he did take a drafting class they offered. After high school and his

stint in the Marine Corps, he began taking classes at Southwestern Junior College as an Art Major, and received his Associates of Arts degree in 1972. He worked as an engineering technician for the Naval Weapons Station in Fallbrook, California. There, he designed several mechanical fixtures for taking bombs and missiles apart and some electro-mechanical fixtures for testing explosive devices. While working for civil service, he took some refresher courses on drawing and found he was still pretty good at it. He began studying with Joe Garcia, a well known wildlife watercolor artist. Tom discovered acrylics and prefers that to watercolors, although he does occasionally use that medium plus colored pencil, pen and ink, alcohol ink, mixed media, and wood carving. His work is included in private collections in Oklahoma, California, Washington, Oregon, and Texas. He has won several awards for his art including the Brookings Azalea Festival and DNACA in Crescent City.

The gallery theme for February is "Abstracts".

## GENERAL MEETING

Decorate your heart at the February general meeting, Thursday, February 9th. The meeting begins at 11am, followed by a potluck and the fun begins at 12:30. Mary Jo Delaney of C&K Markets will bring cookies and frosting and show us how it's done. Everyone will get an opportunity to create that special heart cookie to take home.

## GALLERY NEWS FROM JANE OPIAT

I hope you had an opportunity to visit the gallery in January and view the twenty-one watercolor paintings on exhibit. We were very fortunate to be chosen as one of the Watercolor Society of Oregon locations to show their traveling exhibit. Thanks to Dale Wells, Mary Heflin, Janice Guernsey, Cathy Moore, Barbara Jervis, and Cilde Grover for all your help.

The big news is PBAA is changing our gallery policy for displaying member art in the gallery. No longer will members be required to gallery host or pay \$15.00 to have your art on exhibit. The Board hopes the doors of Manley will be open during business hours so artwork will be available for viewing and sale. Please consider volunteering to be a Gallery Host.

Featured artist for the month of February is Tom Moody and our gallery theme is "Abstracts." Just a reminder that you are welcome to display your art that is of a different theme in other areas of the gallery. Also, we have shelves, pedestals, print and card racks for your art too.

Featured artist for March will be Buzz Stewart and our gallery theme will be "Local Color". Art change out day will be Monday, March 5th from noon to 2 pm.

I am looking for member feedback. Right now we will continue art change out day on the first Monday of the Month from noon - 2 pm. You can relay your ideas on how to improve the gallery by emailing me at [janeopiat@gmail.com](mailto:janeopiat@gmail.com) or leaving me a note at the gallery. Thanks for letting me be of service.

### WINTER SESSION OF AFTER SCHOOL ART

The Winter session of Janeen Vick's After school Art Program begins January 30th. It will be held on Mondays and Wednesdays at \$10 per session. Classes are at Wright's and will be focusing on brush techniques and watercolor basics. The winter session will be ongoing until spring. Ages 7 and up, including adults, welcome. For more information, contact Janeen at 541-469-4590.

### AZALEA FESTIVAL ART SHOW PLANNING

Planning for the 2012 Azalea Festival Art Show is underway. The dates of the show are May 26-27 and everyone is encouraged to enter your art in the show. The show provides many opportunities for volunteers to be involved. The next planning meeting will be held Monday, February 13th at 11 AM.

One of the successful aspects of last year's show was the sale of "Mini Art." In preparation for the April Gallery Theme, "Small Things" and for the Art Show, we are planning a day for painting "minis" on Monday, March 12th at 10 AM. We will have mats and some frames for you to use. Please mark the date on your calendar and join in the fun. Watch for more information in the March Tide.

### PHOTO CLUB SPOTLIGHT

**P**hoto Club is one group with two different meeting times. We welcome you to go to one or both. The Night Meeting is every 2nd and 4th Wednesday evening of the month from 6:30 pm to 8:30 pm. The Morning Meeting is every 1st and 3rd Friday of the month from 10:00 am to 12:00 pm. After you check out our club and decide you would like to participate, the only criteria is a love of

Photo by Dawn Philips

photography and a PBAA yearly membership.

If you like taking photos or would like to start taking photos, you are welcome to join us whether you use a point and shoot or a DSLR camera. Come on down to check out what a meeting is like. The groups are friendly and open at all times to

suggestions and new ideas. At each meeting we draw a challenge for the next meeting. Everyone gets to choose a challenge to put in the box (Ex: sunsets, mountains, flowers, etc.). Each person then sends in 3 photos of the challenge and 1 wild card photo (anything you choose) for the next meeting. We all get to see the photos that were taken, give positive input, ask questions, make suggestions, and/or just find out how this photo was taken or what they did with the photo. Some of the members like utilizing software (Photoshop, Elements, Picassa, etc.) on their photographs to change or enhance it with their personal signature. Many of the photos are just snapped and sent in. Our club is trying to keep an open dialog regarding how we can do certain things. We are always open to have people come in and demonstrate how to accomplish different techniques or software to use with digital photography.

New people are welcomed and participation is appreciated.

### DID YOU KNOW?

We keep a notebook of biographies of member artists at Manley Art Center and Gallery. We have many members whose bios are not included. Even if you do not display art regularly in the gallery we would like to have your bio available. Some things you might include are: how you got your start as an artist, how long you have been doing art, what mediums you work in, what training you have had, and what your interests are.

If you already have a bio in the notebook at Manley, please check to see if it needs updating. If you don't, please send your bio by mail to Manley or by e-mail to [manleyart@frontier.com](mailto:manleyart@frontier.com).

### VOLUNTEER NEEDS

We need someone to be our liaison with the Festival of the Arts and to organize our participation. Emily Grimes has been in charge of this aspect of our organization for the past few years. She has kept very complete records which are available for the next volunteer. The Festival of the Arts usually happens in early August so the work is concentrated in a relatively short time before the event. If you are interested in this position or have questions about what is involved, please contact Cilde Grover at 541-412-8388 or [cilde@nwtec.com](mailto:cilde@nwtec.com)

## JANUARY ART WALK

**D**uring the January Art Walk at Manley Art Center, Pete Chasar (right) introduced Buzz Stewart (left). Pete gave a summary of Buzz's lifetime career in art.

Buzz shared art that he has created over the years, including this early watercolor of Lone Ranch Beach that includes rice paper collage, and brochures for the Azalea Festival going back to 1959.

Buzz talked about his career and answered questions, while Art Walk Participants passed around examples of art that Buzz has created. Buzz Stewart is a member of Pelican Bay Arts Association and a member of the Watercolor Society of Oregon.
